

## P-EBT Address Information List

### Updated August 20, 2020

In partnership with the Oregon Department of Education (ODE) Child Nutrition Programs (ODE CNP), the Department of Human Services (DHS) is working to distribute Pandemic Electronic Benefits (P-EBT) to students who attend schools that participate in the National School Lunch Program and received free or reduced-price meals.

To find out if your school has submitted address information to the ODE, [click here](#). Once the files information is received, ODE shares it with DHS so that P-EBT benefits can be issued. The list below is updated with information from ODE and with where DHS is in issuing P-EBT benefits.

If you have not received your benefits by September 15, 2020, please contact [ebt.schoolmeals@ohsoha.state.or.us](mailto:ebt.schoolmeals@ohsoha.state.or.us). If you want to know if your child was included in the information provided to ODE, please contact your student’s school directly.
